## SCHEDULE J – INFORMATION ON CORPORATE OWNERS, OFFICERS, AND PARTNERS

Most of the items disclosed are self-explanatory, however, remember that the Schedule J information pertains to each individual area and each individual Concession Contract. Accordingly, if the one individual is an officer in one entity and that entity has two Contracts and one Contract operates two areas, then the entity would submit a Schedule J for all three locations and percentage of time devoted to all other business activities and all three Concession locations cannot exceed 100% for that officer.

If the ownership or control of the Concession Contractor is subject to agreements, including, but not limited to, management contracts and employment contracts that would cause a change in management or a 10% change of ownership upon the occurrence or non-occurrence of certain events, then such terms must be disclosed and attached as part of Schedule J. For example, if the operating agreement of a limited liability company were to be amended to grant an employee the opportunity to purchase an ownership interest of 10% in the limited liability company upon certain events, then that amendment should be included as part of the AFR Schedule J in the year that the amendment is adopted.
